### Labomar Profile

*Founded by Walter Bertin in Istrana (province of Treviso) in 1998, Labomar is specialised in the development and production of food supplements, medical devices, foods for special medical purposes and cosmetics for third parties. Over more than 20 years, Labomar has built a business model which sets it apart from its competitors and generates value for all stakeholders, providing a comprehensive service and a high quality and productivity standard. The company boasts a well structured and cutting-edge research and development department with a particular focus on innovation, a commercial team which reacts quickly to market demands and a high level of product differentiation thanks to its proprietary patents and formulas.*

*Labomar reports for 2021 preliminary consolidated revenues of approx. Euro 65.4 million (unaudited). Consolidated revenues include - in addition to Labomar Spa and Entreprises ImportFab Inc. - the companies acquired in 2021, i.e. the Welcare Group, from the second half of the year and Labiotre Srl for the month of December only. A 7% increase on 2020 consolidated revenues (of Euro 61.1 million) is reported.*

*In July 2021, Labomar acquired 63% of the Welcare Group. The Group comprises Welcare Industries Spa and Welcare Research Srl, producers of skincare medical devices, with its registered office in Orvieto. In December 2021, the holding increased to 70%.*

*In November 2021, LaboVar Srl was established - 51% owned by Labomar and 49% by Var Group Spa (a wholly-owned subsidiary of the listed STAR Sesa Spa) - for the sale of nutraceutical products on an e-commerce platform in the Chinese market.*

*Also in November 2021, Labomar acquired control of Labiotre Srl, a Tuscan enterprise specialising in the production of plant extracts, fully integrating the supply chain concept advocated by Labomar.*

*Labomar sincerely believes in operating as a business centered on sustainability and the well-being of the individual, the environment and the community. It has therefore amended its By-Laws to become a Benefit company. This new legal status, introduced in Italy in 2016, formalizes the decision to develop a responsible, sustainable and transparent development model, which marries operating-earnings objectives with social and environmental aspects.*
